

U. S. Bureau of Agricultural Engineering

Photo #3

April 30, 1940

Negative No. Date 10:00 a.m.

Taken by Thayer Cleaver

Location About 5 mi. So. & S.W. from

Waterman, Illinois, DeKalb Co.

Subject Remains of poultry house - Center foreground

- Struck by tornado 5:00 p.m. April 29. Corner of
barn shown in photo #1 can be seen at left. Corn-

crib on right had only the roof damaged.

Windows of house in background were all sucked
out and the brick chimney (top center of house)
torn off.
